Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Wednesday, September 25, 2002, Robert Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel"), Leonard Cascioli, Nextel's Vice President - RF Engineering and Operations, and I met with Robert Pepper, Chief, Office of Plans and Policy ("OPP"), John Williams of OPP, and Even Kwerel of OPP regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During our meeting, we discussed issues raised by Nextel in its September 23, 2002 comments on the Private Wireless Coalition Consensus Plan (the "Consensus Plan"), including the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications. Attached to this letter is a copy of a description of the Consensus Plan that was provided to OPP staff at this meeting.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter and attachment are being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
