Re: ***Ex Parte* Notification**
ET Docket No. 98-153
Ultra-Wideband (UWB)

Dear Ms. Dortch:

On November 18, 2002, Paul Withington, Susan Mandl and Glenn Morris of Time Domain Corporation, and I met with Commissioner Kathleen Q. Abernathy and her Legal Advisor, John Branscome.

We provided a brief demonstration of Time Domain's through-wall radar device, RadarVision, and discussed our Petition for Reconsideration filed in response to the Commission's First Report & Order on UWB. We discussed the operation of the Radarvision 2000 device in detail including specific uses by law enforcement and public safety personnel.

In accordance with the Commission's rules, an original and one copy of this are being filed. Please contact me with any questions concerning this matter.

Respectfully,

Jeffrey L. Ross
Vice President
Corporate Development & Strategy
