**Re: ET Docket No. 98-153 -- Revision of Part 15 of the Commission's Rules Regarding
Ultra-Wideband Transmission Systems
*Ex Parte Communication***

Dear Ms. Dortch:

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, on behalf of XtremeSpectrum, Inc., I am filing this letter electronically to report an oral ex parte communication in the above-referenced proceeding.

Yesterday, Roni Haggart of XtremeSpectrum and I met with Julius Knapp, Alan Scime, Michael Marcus, John Reed, and Ron Chase of the Commission staff. The conversation touched briefly on the reconsideration petitions pending in this docket. Ms. Haggart and I referred to XtremeSpectrum's Opposition to Petitions for Reconsideration (filed July 31, 2002) and also to XtremeSpectrum's comments filed today on the Commission's study of RF noise in the GPS bands.

If there are questions about this submission, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus
Counsel for XtremeSpectrum, Inc.
