**Re: ET Docket No. 98-153 – Revision of Part 15 of the Commission’s  
Rules Regarding Ultra-Wideband Transmission Systems  
Ex Parte Communication**

Dear Ms. Salas:

Pursuant to Section 1.1206(a)(2) of the Commission’s Rules, on behalf of XtremeSpectrum, Inc., I am filing this letter electronically to report an oral ex parte communication in the above-referenced proceeding.

Yesterday, Veronica Haggart of XtremeSpectrum, Inc. and I met with Bryan Tramont of Chairman Powell’s office, Julius Knapp of the Office of Engineering and Technology, and William Lane of the Wireless Telecommunications Bureau.

In this meeting, we reiterated positions XtremeSpectrum has previously stated regarding the reconsideration petitions pending in this docket. In particular, XtremeSpectrum reiterated its support for retaining the current ultra-wideband (“UWB”) standards adopted in this proceeding. We also discussed XtremeSpectrum’s UWB product development and business plans.

If there are any questions about this submission, please contact me at 202-637-5663.

Respectfully submitted,

Michele C. Farquhar  
Counsel for XtremeSpectrum, Inc.
