Re: Consumers Energy, Inc.; In the Matter of Improving Public Safety Communications in the 800 MHz Band; Consolidating the 900 MHz Industrial/Land Transportation and Business Pool Channels; WT Docket 02-55; Supplemental Comments in Response to FCC Public Notice, DA 03-19 (Jan. 3, 2003)

Dear Ms. Dortch:

On behalf of Consumers Energy, Inc., we are electronically filing along with this correspondence a revised set of comments in response to the above-referenced Public Notice. The previously filed version, also filed on this date, inadvertently omitted a citation in footnote 22 on page 15. The revised-version contains this citation as intended.

Please feel free to contact us with any questions or concerns.

Very truly yours,

Shirley S. Fujimoto
