Re: IB Docket No. 02-34
IB Docket No. 00-248

Dear Ms. Dortch:

On April 8, I held a phone conversation with Rod Porter of the FCC's International Bureau concerning the above-referenced proceeding. In particular, we discussed the performance bond or letter of credit concept currently under consideration by the Bureau, and the negative consequences of imposing such a bond, particularly if set at a level such as \$10 million per orbital slot.

Sincerely,

/s/ Joslyn Read
