Dear Ms. Dortch:

SBE's April 14, 2003, filing to the ET Docket 00-258 Third NPRM was discovered to have an error in the last sentence of Paragraph 9: that sentence ends with "...and expect to be able to use them with geographic restrictions." The sentence should have ended with "...and expect to be able to use them without geographic restrictions." SBE is accordingly submitting this correction to its April 14 filing.

Sincerely,

/s/ **Dane E. Ericksen**
