Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Wednesday, April 16, 2003, Gina Keeney and I met with John Muleta, Chief, Wireless Telecommunications Bureau (“WTB”); Catherine Seidel, Deputy Bureau Chief, WTB; David Furth, Associate Bureau Chief, WTB; and D’Wana Terry, Chief, Public Safety and Private Wireless Division, WTB, regarding the Commission’s above-captioned rulemaking on public safety communications in the 800 MHz band. During our meeting, we discussed the proposed Consensus Plan for resolving CMRS – public safety interference and providing additional spectrum for public safety communications, and the need to provide Nextel Communications, Inc. replacement spectrum as proposed in the Consensus Plan. The facts and arguments we discussed regarding these issues are reflected in written comments previously filed by Nextel and the Consensus Parties in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Charles W. Logan
