dated May 5, 2003

ERRATA

page 2, line 13: there is a loosely associated pronoun; change the  
words "...randomizing them." to "...randomizing the others."

page 3, line 22: the acronym "DSL" is wrong and should be replaced  
by "digital".

Page 3, line 46: the acronym "DPL" is wrong and should be replaced  
by "BPL".

Thank you.
