Regarding: MB Docket 03-124

Dear Ms. Dortch:

On May 28, 2003, Mark Pagon, Chairman and CEO of Pegasus Communications, Cheryl Crate, Vice President of Corporate Communications and Government Relations of Pegasus Communications and I, a consultant to Pegasus Communications, met with Kenneth Ferree and Barbara Esbin of the Media Bureau. We discussed the proposed transfer of control of FCC authorizations and licenses held by Hughes Electronics Corporation to News Corporation, Inc. Specifically, we discussed pricing and other issues relating to the sale of programming and other services to distributors by non-affiliated and affiliated programmers and vendors.

Very truly yours,
