Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Tuesday, June 3, 2003, Timothy M. Donahue, President and Chief Executive Officer, Nextel Communications, Inc. ("Nextel") and Robert S. Foosaner, Senior Vice President, Nextel, met with Commissioner Kathleen Abernathy and Jennifer Manner, Senior Counsel, Office of Commissioner Abernathy, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. This meeting focused on the proposed Consensus Plan for resolving CMRS – public safety interference and providing additional spectrum for public safety communications, and the need to provide Nextel with replacement spectrum as proposed in the Consensus Plan. The facts and arguments discussed are reflected in written comments previously filed by Nextel and the Consensus Parties in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
Regina M. Keeney
