Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Wednesday, June 25, 2003, Leonard Kennedy, Senior Vice President and General Counsel, Nextel Communications, Inc. ("Nextel"), Kent Nakamura, Nextel's Deputy General Counsel, Nextel, and Robert McNamara, Nextel's Senior Counsel – Regulatory, spoke with John Muleta, Bureau Chief, Wireless Telecommunications Bureau, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During this conversation, Nextel's representatives and Mr. Muleta discussed the proposed Consensus Plan for resolving CMRS – public safety interference and providing additional spectrum for public safety communications, and the need to provide Nextel with replacement spectrum as proposed in the Consensus Plan. The facts and arguments discussed are reflected in written comments previously filed by Nextel and the Consensus Parties in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
