MOTION TO ACCEPT AS TIMELY FILED

THE COMMENTS OF MICHAEL KEANE

Michael Keane, on behalf of himself, hereby respectfully moves the Commission for leave to accept as timely filed in the Comments of Michael Keane in the above captioned proceeding two business days out of time. The grounds for this Motion are:

On July 7 2003 Mr. Keane attempted to submit these comments electronically via the Commission's Electronic Comment Filing Systems (ECFS). Due to unknown technical difficulties, Mr. Keane was unable to receive confirmation of a successful transfer despite repeated attempts. Whereupon Mr. Keane tried to contact the ECFS Help Desk to request technical assistance. However as the time was then after 5:00 PM EDT such assistance was not immediately forthcoming.

As a result of these unforeseen difficulties the attached Comments are being filed two business days late. Because these Comments are being submitted to the Commission's ECFS less than forty-eight hours after the date upon which comments were due, Mr. Keane submits that no interested party will be prejudiced in any way by the grant of this motion.

For the foregoing reasons, Mr. Keane respectfully requests that this Motion to Accept Comments Out of Time be granted.

Respectively submitted,

Michael J. Keane
