Dear Ms. Dortch:

On July 17, 2003, LLC International hosted a presentation at its offices for FCC staff members to discuss frequency issues and interference facing the FCC, including a discussion of topics covered in WT Docket 02-55. FCC staff members who attended the briefing were, John B. Muleta, Shellie N. Blakeney, Jeanne Kowalski, Catherine W. Seidel, D'Wana R. Terry, Scott Delacourt, and Brian Marenco. They were briefed by members of LCC, including, Tom Faulders, CEO and Chairman of the Board, Steven Stravitz, Barbara Pavon, and Dexter Lee.

Attached is a copy of the PowerPoint presentation given to the FCC staff members. LCC requests that a copy of these materials be included in the record in the above-referenced proceeding.

Respectfully submitted,
