Dear Ms. Dortch:

On July 29, 2003, Caressa D. With regards to Docket No. 02-381, RTG discussed its February 3, 2003 comments and February 19, 2003 reply comments filed in that proceeding. Concerning Docket No. 94-102, RTG discussed the unique circumstances rural wireless carriers face in the implementation of Phase II E911. RTG also discussed, consistent with its comments filed in Docket No. 95-116, the concerns of rural carriers when porting numbers.

If you have any questions regarding this filing, please communicate directly with the undersigned.

Sincerely,

/s/
