

To whom it may concern: I have been an amateur radio operator since 1997, my call sign is W4BIG (General Class). I and many of my fellow hams know that if this (BPL) is passed it will be devastating. Not only will it affect our hobby, it will interfere with EMERGENCY COMMUNICATION'S. So please make the right dicision. Not only for us, but for everyone. Thank you , Michael K.Boyd
W4BIG
