

in regards to the intended BPL, Broadband over power lines. It is My understanding that this type of transmission will be a serious means of polution TO THE CURRENT HF BANDS NOW ALLOCATED FOR HAM RADIO USE. AS YOU KNOW THE HAM BANDS ARE A CRITICAL MEANS OF COMUNICATION IN TIMES OF DISASTER, AND HAVE PROVEN MANY TIMES OVER THE NEED FOR PROTECTING THESE PRECIOUS COMMODITIES. pLEASE RE CONSIDER THE PROPOSAL FOR THIS BPL PROGRAM AND SAVE THE HAM ENTITY
