

PLEASE SAVE OUR AMATEUR RADIO FREQUENCIES FROM HARMFUL INTERFERENCE!
THE ARRL PERSONNEL HAS MEASURED NOISE LEVELS IN THE TEST AREA'S AND THEY HAVE
FOUND THEM TO BE WITHIN TOLERANCE OF FCC RULES-HOWEVER- WITH THE INCREASED
ALLOWANCE ASKED FROM BPL OPERATIVES, WE NOT ONLY WILL HAVE INCREASED
NOISE/SIGNALS/INTERFERENCE THAT WILL DISRUPT NORMAL COMMUNICATIONS ON THE
AMATEUR RADIO FREQUENCIES, WE WILL ALSO
JEOPARDIZE HOMELAND SECURITY, MARS OPERATIONS, ARES AND EMERGENCY COMMUNICATIONS
IN THESE SAME BANDS! PLEASE USE YOUR WISDOM-NOT YOUR
DEEP POCKETS TO MAKE THIS BPL PLAN STAY WITHIN THE TOLERANCES "FCC"
HAS ALREADY SET-UP!!!!!!
