Request for Waiver

Dear Federal Communications Commission Request for Waiver Committee,

I am writing in response to a funding commitment decision letter for funding year 2003.

RECEIVED & INSPECTED  
AUG 4 2003  
FCC - MAILROOM

Re: Form 471 Application Number: 350060

Funding Year 2003: 07/01/2003 – 06/30/2004

Billed Entry Number: 142669

Applicant's Form Identifier: 322-2002

Amount \$15,919.20

The form 471 was denied due to a missed signature on the filed form. Linda Hales passed away from cancer and I was hired to replace her. I have not worked with the USAC before, and came in during the filing the 471 form(s). The form called for an electron signature. Upon receiving my own signature I did not go back putting the finishing touch the already filed form, thinking it was completed. I continued on and have filed and signed all form(s) current to date and followed all conditions outlined I understand the deadlines and also did Linda for the form was filed before the deadline, only missing the signature, due to lacking thought. Linda was bed ridden 2 weeks after I started, and passed way shortly thereafter. She did miss some information to coordinate with me, and my thoughts were keeping all aspects going forward. The missing signature was not brought to my attention until months after the form 470 was filed. I understand the need for deadlines and procedures, this was a simple missed signature on a completed form. I ask the committee to review this misunderstanding and accept or deny. I would be wrong to say, that the schools district would not miss this funding and the consciences that follow.

Thanks,
