Re: **EX PARTE**  
IB Docket No. 02-34

Dear Ms. Dortch:

On September 24, 2003, the undersigned, representing ICO Global Communications (Holding) Ltd. ("ICO"), met with Sheryl Wilkerson, legal advisor to Chairman Michael Powell, to discuss the above-referenced docket. ICO noted that the Commission's recent decision in this docket to impose a spectrum cap on NGSO satellite licensees is inconsistent with its policies and the goals of the proceeding, particularly with respect to swift delivery of satellite service to the public. ICO pointed out that this rule has been imposed without notice or a record in the proceeding.

In accordance with section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.

Very truly yours,

/s/ Suzanne Hutchings
