Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Ms. Dortch:

On Tuesday, September 30, 2003, Robert Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel") met with John Muleta, Bureau Chief, Wireless Telecommunications Bureau, and Catherine Seidel, Deputy Bureau Chief, WTB, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During this meeting, they discussed the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications. The facts and arguments discussed are reflected in written comments previously filed by Nextel and the Consensus Parties in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney  
Regina M. Keeney
