Dear Ms. Dortch:

The attached copy of the "Draft Measurement Procedures for DFS Equipped U-NII Devices" contains changes proposed by Atheros Communications, Inc. (in green) and explanations thereon (in red). Given the time constraints for rapidly responding to the NTIA's late submission, we trust that these suggestions and comments are helpful and clear.

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1.1206, this letter and attachment are being filed electronically with your office.

Please direct any questions concerning this matter to the undersigned.

Respectfully submitted,

David R. Siddall
Counsel to Atheros Communications, Inc.
