

PLEASE DO NOT APPROVE IMPLEMENTATION OF THE BROADBAND OVER POWER  
LINES PROPOSAL UNTIL EXTENSIVE FEASIBILITY TESTING BY INDEPENDENT  
ENGINEERING LABORATORIES HAS BEEN COMPLETED AND EVALUATED.  
THIS SCHEME WOULD SERIOUSLY DISRUPT EMERGENCY AND DISASTER  
COMMUNICATIONS BY FEMA, AMERICAN RED CROSS, MARINE RADIO SERVICE,  
AMATEUR RADIO EMERGENCY SERVICE, RADIO AMATEUR CIVIL EMERGENCY  
SERVICES AND NUMEROUS OTHER FEDERAL AND STATE GOVERNMENT EMERGENCY  
COMMUNICATIONS OPERATIONS.  
THANK YOU FOR YOUR CONSIDERATION.  
Harry S. Rouse
