

I PETITION THE COMMISSION NOT TO CHANGE PART 15 TO PERMIT BPL OVER POWER LINES. THE TECHNOLOGY IS NOT SUITABLE TO BE ALLOWED ACCESS TO THE HF SPECTRUM. GERMANY, FINLAND, POLAND NETHERLANDS, GREAT BRITIAN AND OTHERS HAVE REMOVED BPL BECAUSE OF THE HARMFUL INTERFERENCE IT CAUSES TO ALL USERS OF THE HF SPECTRUM. THIS IS A REAL THREAT TO HOMELAND SECURITY BY RENDERING COMMUNICATIONS OF THE MILITARY, COMMERCIAL AIR LINES, STATE AND LOCAL POLICE, AND THE AMATEUR RADIO SERVICE USELESS. IT WILL HARM THE FUTURE OF THIS COUNTRY TO ALLOW A FEW WHO WANT TO MAKE PROFITS OFF OF BPL WHEN THIS TECHNOLOGY IS DAMAGING TO ALL THE USERS OF THE SPECTRUM IT USES.
