**Re: WT Docket No. 02-55, In the Matter of Improving Public Safety
Communications in the 800 MHz Band – Notice of *Ex Parte* Presentation**

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's rules, Verizon Wireless hereby submits this notice in the above-captioned proceeding of an *ex parte* meeting on March 23, 2004 with Steven Zipperstein, Vice President – Legal and External Affairs and General Counsel; Howard Woolley, Vice President – Policy and Government Relations; and Paul Nash, Director – Senate Federal Relations; all of Verizon Wireless; Commissioner Jonathan Adelstein; and Barry Ohlson of Commissioner Adelstein's office. As set forth in Verizon Wireless's filings in this proceeding, we discussed the company's concerns regarding Commission adoption of the Consensus Plan. Particular attention was given to those aspects of the Consensus Plan that are not consistent with legal requirements imposed by the Communications Act.

Please contact the undersigned with any questions.

Sincerely,

A handwritten signature in black ink that reads "Paul Nash". The signature is fluid and cursive, with a long horizontal stroke at the end.
