***EX PARTE* PRESENTATION OF
SILVER PALM COMMUNICATIONS**

Silver Palm Communications (“Silver”), by its attorney, hereby submits this *ex parte* presentation for inclusion in the above-referenced proceeding. Silver Palm, either directly or through affiliates, holds a number of 800 MHz SMR licenses, both site-based and auction, in the General Category band. Like other current non-Nextel licensees in this band, Silver Palm acquired its licenses in upon the regulatory structure laid out by this Commission, and like the other non-Nextel licensees in this band, Silver Palm would be devastated were the Commission to implement the Nextel so-called “consensus” plan.

Silver Palm hereby adds its voice to those who oppose the Nextel plan, and incorporates by reference the various filings already submitted in this proceeding by Mobile Relay Associates and Preferred Communication Systems, Inc.

Respectfully submitted,
SILVER PALM COMMUNICATIONS
