Re: Notice of *Ex Parte* Presentations; 800 MHz Public Safety Interference Proceeding; WT Docket No. 02-55

Dear Ms. Dortch:

This is to notify you that on April 8, 2004, I spoke by telephone with John Muleta, Chief of the Wireless Telecommunications Bureau, concerning the potential impact of 800 MHz rebanding on the operations of Southern Communications Services, Inc. d/b/a Southern LINC, as previously described in Southern LINC's written presentations in this proceeding.

In addition, I provided to Mr. Muleta by e-mail a copy of Southern LINC's April 5, 2004, *ex parte* presentation on this subject and a table prepared by Southern LINC showing the effects of rebanding in selected markets. Copies of these documents were also sent by e-mail to Sheryl Wilkerson, Legal Advisor to Chairman Powell, and to Michael Wilhelm of the Wireless Telecommunications Bureau.

In accordance with the Commission's rules, one copy of this *ex parte* notice is being filed electronically for inclusion in the record of the above-referenced proceeding.

Very truly yours,

/s/ Christine M. Gill
