

To Whom It May Concern,

I am a die-hard Republican. My parents are Republican Committee People. YOU are not helping the cause. DROP this crap. Get with the program. Create an exit strategy for Iraq, focus on our Economy. For the sake of AMERICA, PLEASE. You are making an IRREVERSIBLE mistake. Think through your actions. I will not let this happen. PLEASE. I will change allegiances that I have supported for 16 years. Test the Nation. They will respond.

TEST THE RESOLVE OF THE LISTENING AUDIENCE. Ignore this and Bush WILL loose the election - I can guarantee this.

LISTEN. LISTEN. LISTEN.

Let's not be pig-headed. LISTEN TO THE PUBLIC!!!!
