Re: WT Docket No. 02-55

Dear Ms. Dortch:

On behalf of Access Spectrum, LLC, Robert Pettit and I had a telephone conversation today with Paul Margie of Commissioner Copps' office to discuss the Commission's actions in the above-captioned proceeding. During this teleconference, Mr. Pettit and I reiterated Access Spectrum's opposition to the potential reallocation of certain 700 MHz guard band licenses and 900 MHz SMR licenses. These same perspectives were previously detailed to the Commission in various comments filed by Access Spectrum throughout this proceeding.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2), one copy of this letter is being filed electronically for inclusion in the public record of this proceeding. If you have any questions regarding this filing, please contact me at the above number.

Sincerely,

/S/ Michael A. Lewis
