Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Wednesday, April 14, 2004, Robert S. Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel"), Lawrence Krevor, Nextel's Vice President – Government Affairs, David Rudd, consultant to Nextel, and I met with Commissioner Michael Copps and his Spectrum and International Legal Advisor, Paul Margie, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During the meeting, the parties addressed issues raised by Nextel in its submissions in this proceeding, including the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications. Nextel's representatives also discussed significant issues and concerns regarding the potential assignment to Nextel of replacement spectrum in the 2.1 GHz band.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
