Re: Notice of Ex Parte Presentation
ET Docket Nos. 98-153, 02-380 and 04-151

Dear Ms. Dortch:

On April 29, 2004, representatives of the Coalition of C-Band Constituents (“Coalition”) met with staff from the Commission. Representing the Coalition were Ross Sorci of Alion Science and Technology (“Alion”), Evans Wetmore of Fox Broadcasting, and Craig Cuttner of Home Box Office, Inc. They met with Ronald J. Chase, John A. Reed, and Saurbh Chhabra of the Office of Engineering and Technology.

In the meeting, the Coalition discussed the technical and engineering details supporting the conclusions set forth in the recent report issued by Alion, which provided an evaluation of UWB and lower adjacent band interference to C-band earth station receivers. The report was filed with the Commission by the Coalition on February 19, 2004.

Please address any questions to the undersigned.

Ms. Marlene H. Dortch
