Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Friday, May 21, 2004, Lawrence Krevor, Vice President – Government Affairs, Nextel Communications, Inc. (“Nextel”), and I met with Jennifer Manner, Senior Counsel to Commissioner Kathleen Abernathy, and Marjorie Manne from Commissioner Abernathy’s office, regarding the Commission’s above-captioned rulemaking on public safety communications in the 800 MHz band. During the meeting, we discussed issues raised by Nextel in its prior filings in this proceeding, including the urgent need to resolve CMRS – public safety interference in the 800 MHz band as expeditiously as possible and the assignment of replacement spectrum at 1.9 GHz to Nextel to make it whole for its contributions to the Consensus Plan.

Pursuant to section 1.1206(b)(2) of the Commission’s rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
