WT Docket No. 03-66
ORAL EX PARTE NOTICE

Dear Ms. Dortch:

Network for Instructional TV, Inc. ("NITV") hereby reports that on May 27, 2004, Robert J. Rini spoke to Paul Margie, Spectrum and International Legal Advisor to Commissioner Michael J. Copps, about how the Education Set-Aside concept, that benefits all of Education, balances the interests of those who desire to promote competition and innovation with those who seek to restrict ITFS eligibility. Robert J. Rini also spoke to John J. Schauble, Deputy Chief, Broadband Division, Wireless Telecommunications Bureau, about NITV's concerns over the negative effects of the FCC stripping spectrum from ITFS licensees.

Respectfully submitted,

/s/ Robert J. Rini
