Re: **Notice of Ex Parte Presentation**, Review of the Spectrum Sharing Plan
Among Non-Geostationary Satellite Orbit Mobile Satellite Service Systems
in the 1.6/2.4 GHz Bands, IB Docket No. 02-364.

Dear Ms. Dortch:

On June 3, 2004, Gino Picasso and Donna Bethea Murphy of Iridium Satellite, LLC ("Iridium") and Mike Senkowski and I, as counsel for Iridium, met with Commissioner Jonathan Adelstein and Barry Ohlson, Legal Advisor to Commissioner Adelstein.

At this meeting, Iridium repeated its arguments that the FCC should re-balance the Big LEO band to award Iridium additional spectrum consistent with the attached spectrum chart (Attachment 1). Iridium also refuted Globalstar LLC's ("Globalstar") claims that Iridium does not need additional spectrum and that Iridium is not utilizing its existing spectrum in an efficient manner.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2) (*incorporating* 47 C.F.R. §1.49), a copy of this letter and the attached proposed spectrum plan are being filed electronically for inclusion in the above-noted docket. Please feel free to contact me if you have any questions regarding this matter.

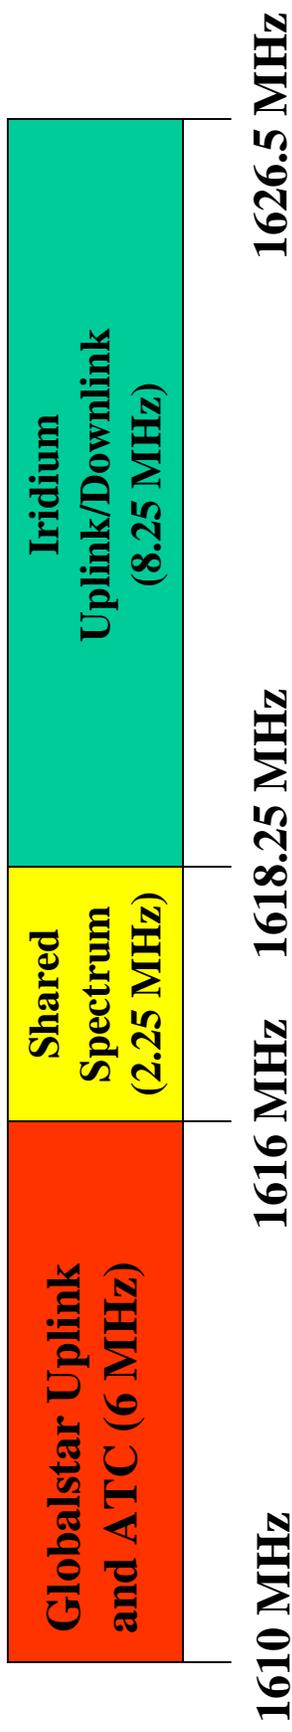

Sincerely,

/s/ Peter D. Shields
Peter D. Shields
Counsel for Iridium Satellite, LLC
