

You people can't even control the interference we have now in the USA
LOOK AT 11 METERS THE CB BAND YOU CAN'T EVEN CONTROL THAT. WHAT MAKES YOU THINK
YOU CAN CONTROL BLP. I THINK SOMEONE IS BEING PAYED OFF FOR THIS (BPL) TO GO
FORWARD. DON'T FORGET ONE THINK TO HAVE PLENTY OF MONEY FOR THE LAW SUITES THAT
YOU ARE GOING TO HAVE-THIS IS GOING TO CAUSE INTERFERANCE TO THE VHF AIRCRAFT
BAND AND HF BAND IF A CRASH HAPPENS AND THE SOURCE IS INTERFERANCE YOU PEOLPE
ARE RESPOSIBLE. IT BLOWS MY MIND THAT YOU PEOPLE WANT TO DO THIS YOU CAN'T EVEN
CONTROL THE INTERFERANCE PROBLEMS NOW!!!!!!!!!!!!!!!!!!!!
