Re: In the Matter of Improving Public Safety Communications in the 800 MHz Band; WT
Docket No. 02-55; *Ex Parte* Presentation

Dear Ms. Dortch:

On behalf of Southern LINC, and in accordance with Section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), the undersigned counsel hereby submits this notice of *ex parte* presentation.

On August 12, 2004, I spoke with Michael Wilhelm, Chief, Public Safety and Private Wireless Division, Wireless Telecommunications Bureau, concerning certain information that appeared to have been inadvertently omitted from Appendix G of the Commission's Report and Order in the above-referenced proceeding. I provided Mr. Wilhelm with a copy of Southern LINC's June 30, 2004, *ex parte* filing, containing the information missing from Appendix G, which includes an omitted map, a list of frequencies, and a list of covered counties in Tennessee.

Very truly yours,

Christine M. Gill
