Re: ET Docket No. 00-258
Ex Parte Presentation

Dear Ms. Dortch:

On Thursday, September 2, 2004, Larry Krevor, Michael Ha, and I of Nextel Communications spoke with Barry Ohlson, senior legal advisor to Commissioner Jonathan S. Adelstein. We reviewed the attached presentation and discussed Nextel's position that licensees can use the proposed H Block channels without causing harmful interference. Nextel explained that the Commission can adopt reasonable operating parameters to assure that H Block use does not interfere with other licensed operations in adjacent spectrum blocks. Prospective H Block auction participants can and will take these parameters into account in their bidding decisions.

Consistent with section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), please include this letter in ET Docket No. 00-258.

Sincerely,

Trey Hanbury
