Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Monday, September 13, 2004, Lawrence R. Krevor and Geoff Stearn of Nextel Communications, Inc. ("Nextel"), along with the undersigned, met separately with Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein, and Sam Feder, Legal Advisor on Spectrum and International Issues for Commission Martin, regarding the Commission's above-referenced rulemaking on public safety communications in the 800 MHz band.

During these meetings, Nextel discussed the process set forth in the Report and Order for realigning the 800 MHz band, interference protection standards, the coverage of Nextel's current 800 MHz licenses, and the best means of minimizing disruption to incumbent systems and ensuring a timely completion of the 800 MHz rebanding process. Nextel emphasized the importance of providing operational flexibility for 800 MHz incumbent licensees while ensuring an efficient and expeditious band reconfiguration process.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
