Re: WT Docket No. 03-103
Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

This is to inform you that I spoke with FCC staff member Jay Jackson, Engineering Advisor to the Chief, Mobility Division of the Wireless Telecommunications Bureau, on October 5, 2004 concerning the above-referenced proceeding. During this discussion, I ensured that Mr. Jackson had received AirCell's two most recent papers, entitled "Passenger Benefits from Competition in Broadband Airline Communications" and "Deck-to-Deck Coverage," both filed in this proceeding on September 30. I briefly discussed the two papers, noting the highlights of each. In addition, I noted recent letters filed in this proceeding by large and small airlines, and emphasized the benefits of communications alternatives for this very competitive airline market.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, I am filing this notice electronically in the above-referenced docket. In addition, I am sending one copy of this notice to the FCC representative listed below. Please contact me directly with any additional questions.

Respectfully submitted,

/s/ Michele C. Farquhar
