**RE: Notice of *Ex Parte* Presentation
WT Docket No. 03-103**

Dear Ms. Dortch:

On behalf of AirCell, Inc. ("AirCell"), I have attached a copy of an e-mail message, dated October 22, 2004, from AirCell consultant Grant Saroka to Ahmed Lahjouji, Ron Chase, and Ira Keltz of the Office of Engineering & Technology. Joe Cruz, an AirCell employee, is copied on the e-mail message. The e-mail was sent in response to a telephone inquiry from Mr. Lahjouji, who sought a corrected reference for "xpol discrimination," as set forth at note 7 of AirCell's June 29, 2004 submission in this docket.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, I am filing this notice electronically in the above-referenced docket. In addition, I am sending one copy of this notice to each of the FCC representatives listed below. Please contact me directly with any questions concerning this filing.

Sincerely,

Michele C. Farquhar
Counsel to AirCell, Inc.

Enclosure

cc: Ahmed Lahjouji
Ron Chase
Ira Keltz

Subject: Corrected reference for xpol discrimination

Ahmed -

Per our conversation late this afternoon;

The document that should have been referred to as [7] in AirCell's submission dated June 29, 2004, *Evolution of the ATG Migration Concept (Part2)*, rather than *Final Report of AirCell Flight Tests*, which was referenced in error, is

Reply Comments of AirCell, Inc. January 12, 1998, In the matter of AIRCELL, INC., Petition, Pursuant to Section 7 of the Act, For a Waiver of the Airborne Cellular Rule, Or in the Alternative, For a Declaratory Ruling; AirCell, Inc. Experimental License K12XCS.

Regards,

Grant
